PETITION FOR REVIVAL OF AN APPLICATION  
FOR PATENT ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)  
STATEMENT OF FACTS

Mail Stop PCT  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. § 1.137(b), the following is a statement of delay caused by  
unintentional circumstances.

1. The present application was filed on 10 February 2004 as an international patent application under the PCT.
2. The deadline for entering the U.S. National Stage was 11 August 2005.
3. Applicant did not enter U.S. National Stage. Applicant did not send timely instructions to a U.S. attorney to enter U.S. National Stage under Chapter I of the PCT after the final deadline of 11 August 2005. Applicant did not intend to confuse the deadlines and pass the deadline. Applicant did not intend for the application to be abandoned.
4. As such, the Application was constructively abandoned as of 11 August 2005.
5. A Notice of Abandonment has not yet been received.

6. The present petition is less than three months after the date the U.S. Patent and Trademark Office sent the notice of abandonment to Applicant's attorney because a Notice of Abandonment has not yet been sent.
7. The present petition is less than one year after the date of actual abandonment by the U.S. Patent and Trademark Office.
8. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

Applicant petitions for revival based upon unintentional delay, and Applicant has included a proper response, comprising transmittal of the application to enter U.S. National Stage under Chapter I of the PCT. Applicant files the required reply to secure revival of the patent application for consideration on the merits and eventual issuance of allowable subject matter by the U.S. Patent and Trademark Office.

The present Petition for Revival is less than one year of the actual abandonment and less than three months after receiving notice of Abandonment. The entire period of delay, until the filing of the present grantable petition, was unintentional.

Applicant respectfully requests granting the Petition to Revive because the Applicant never intended for the application to be abandoned. Applicant respectfully contends that the application is now in a proper condition for consideration on the merits. The government fee of \$750 for a small entity is attached. Any additional fees for the petition to revive or any overpayment with regard to this petition and Application to Enter National Stage may be credited or debited to Deposit Account 08-0879.

Respectfully submitted,

9 August 2006
